

Get Started:

You'll receive an email with instructions to confirm your Luxer One account.

Once your account is set up, use your normal shipping address when shopping online.

When your package is delivered to the Luxer One system, you will get a mobile notification with an access code.

Enter your access code at the Luxer One touchscreen to pick up your package.

Look out for an email!

Details on your Luxer One account will come from building management.
